

## On the Subject of Boot Too Big

*Roses are red, Violets are blue. What why'd you put this on a bomb? **WHAT'S WRONG WITH YOU.***

The module has 8 buttons which each have a module icon on them. There is a single set of two modules whose names rhyme\* with each other, while the rest do not rhyme with any other module. Simply select those two modules to disarm the module. If an incorrect pair is selected, a strike will be recorded.
