

On the Subject of Naughty or Nice

You're probably gonna cry.

The list on the left will display a name when this module activates.

Figure out if this person is nice or not by using the table below.

If the person is nice, press the “nice” button. Otherwise, press the “naughty” button. Each successful button press will increase the time on the module by 20 seconds, up to a maximum of 100 seconds.

Person:	Is nice if:
Adam	There is a Hexamaze or Switches module on the bomb
Alice	There are no batteries on the bomb
Bob	There is a lit BOB, MSA, NSA or SIG indicator on the bomb
Cheryl	There are no unlit indicators on the bomb
Dave	There are no PS/2 and RJ-45 ports on the bomb
George	There are more unlit than lit indicators on the bomb
Harry	The first digit of the serial number is odd
James	The serial number contains a vowel
Jason	The serial number contains “C” or “D”
John	There is a parallel and serial port on the bomb
Mike	There are more than 3 batteries on the bomb
Nancy	There are no lit indicators on the bomb
Pat	There are more than 2 battery holders on the bomb
Rock	The serial number does not contain “8”
Sam	There is an unlit SND, CLR or TRN indicator on the bomb
Simon	There are more lit than unlit indicators on the bomb
Tim	There is a stereo RCA or DVI-D port on the bomb
Tony	Jason’s nice condition is true
