

On the Subject of Sid Hoffrenchman

Using the most state-of-the-art coroutiniest technologies, we can see what an actual needy module with Homestar Runner would be like without the risk of personal injury. Or vomiting.

Upon activation, Homestar Runner will ask the defuser “Sid Hoffman or Sid Frenchman?”, and there will be 1 to 4 characters present in the background. Use the tables below to determine which option has a greater amount of characters present, and submit the appropriate answer.

Sid Hoffman				
				
Marzipan (purple)	Strong Bad (tan)	Coach Z (green)	The King of Town (red)	Homsar (blue)

Sid Frenchman				
				
Pom Pom (yellow)	Strong Mad (dark blue)	Bubs (orange)	Strong Sad (gray)	The Cheat (gold)

Tiebreaker

Submit Sid Hoffman if the current score (the white number in the top left corner) is even, and Sid Frenchman if it is odd.
