And don't worry, I'll have a— I'll have some speaks with that home plate umpire after the game!

1. Determine the "main letter" represented in Braille by the positions of the raised and lowered buttons to determine which of the six buttons to <u>read</u>.
2. Highlighting over each of the six buttons will show a letter in Braille of its own. With this letter, use section B to determine which button to <u>push</u>.
3. Repeat until the module has been disarmed.

Section A

Based on the main letter, <u>read</u> the Braille letter on that button and proceed to section B:
